Greetings To The FBC Family,

I want to begin with a sincere thank you to everyone who made Sunday such a special day. Danya did an excellent job leading the Children's Choir and the children were outstanding. Beverly chose an awesome song and the choir sounded incredible. Those who led worship also blessed us with their voices lifted in praise.

However, there is so much more that went in to making Sunday great. You were here on a different schedule and smiling as you celebrated the resurrection. Several were here early to greet our guests and church family. Some of you gave up your normal parking space for our guests. Many of you brought friends, family, and guests to worship with us and filled the church with kindred spirits. Please thank those who were our guests for me, because there were many that I didn't have the opportunity to speak to personally. Also, continue to be faithful to attend and invite others so God's Church can continue to reach people with the Gospel. You never know how much influence that you can have until you are faithful in being a positive servant of Christ. (continued)

(continued)

I will close by saying again that my family and I are blessed to serve alongside each of you in the FBC Attalla Family. Thank you for giving of yourselves and your treasures to the work of Christ!

Blessings To All, Bro. Earl

Thank you to the FBC family

The family of Betty O. Moore is so grateful for the outpouring of love we have felt during Mother's illness and home going. Thank you all so very much for your prayers, cards, phone calls, emails, texts, and food and for your genuine concern for her and for us. We definitely experienced the love of Christ in you.

In His name,
The family of Betty O. Moore
