Greetings To The FBC Family,

Happy Holy Week to each of you! I truly hope that we are all taking time each day to consider what Jesus' final week before the crucifixion was really like. As always, Jesus was busy and yet clearly focused on the task before Him. While He was contemplating dying for each of us and our sins, He was surrounded by numerous people who were oblivious to what was really about to happen. Much like our world today, the average person that you encounter this week will not consider the great significance of what Holy Week is really all about. In all reality there are numerous Christians who will be certain to be in church on Easter Sunday but who thought very little about Christ and His great love on a daily basis throughout this week. Please focus clearly on these precious days leading up to Easter and pray intently for our guests that you will invite and encourage to join us for worship.

Have you ever wondered what it would be like to be a disciple of Christ who helps others become faithful followers of Jesus? Would you be interested in discovering how you can be part of a group that helps you grow in your faith

and in turn help others on a journey that is life-changing? What if it was really easy and yet the most fulfilling thing you have experienced since you were born-again? If you are answering yes to any or all of the above then I have good news for you! There will be a training event that is free to you on April 15th at 4:00 pm in East Gadsden. I need to know of your plans to attend so I can reserve you a spot. Please prayerfully consider going and then you can decide if this is something that you want to pursue in more detail.

Happy Holy Week! Thank you for all you do in serving the FBC Family. Please be prayed up and ready for a great day Sunday. If you are able, it would be great if you could save extra parking, closest to the church, for our guests.

Blessings To All, Bro. Earl
